YOUR INTRODUCTION MAP

Three short lessons. One practical path toward more human work.

01

THE HUMAN FORM

See the business as one living community organized around shared intention.

TRY THIS Name the community you want to make more human.

02

THE PROBLEM WITH WORK

Look beneath blame and notice the system shaping what people can contribute.

TRY THIS Bring one system problem into the light.

03

THE FIVE PRINCIPLES

Follow the ordered path from caring to useful contribution and living systems.

TRY THIS Choose the principle your work needs first.

MY NEXT USEFUL MOVE

One small practice I can try before the next lesson:
